June 11, 2007 NASD OTC-BB: MRDAF**Meridian Medical Signs Contract for Exclusive Distribution of the LAPEX 2000 LipoLaser for the South Eastern United States**

Meridian Co., Ltd. ("Meridian" or the "Company") (OTC BB:MRDAF.OB - News), an industry leader in the research, development, manufacturing and sales of integrative medical equipment, is pleased to announce that its North American distributor, Meridian Medical Inc. ("MMI") has signed an exclusive contract with Lifeline Medical Technology, LLC ("LifeLine") for the marketing and sales of Meridian's LAPEX 2000 LipoLaser.

The contract outlines that LifeLine will be granted an exclusive license to market the LAPEX 2000 LipoLaser in the states of Florida and Georgia. Their exclusive distributorship for the LAPEX 2000 LipoLaser is based on a minimum order volume equal to sales of approximately US \$2.3 million for the initial 12-month period of the agreement.

"With an experienced management team, and an aggressive marketing plan we are very excited about launching this product to medical facilities and wellness spas," says Chris Male, president of LifeLine.

More About: LAPEX 2000 LipoLaser

The LAPEX 2000 LipoLaser was designed to target the medical and aesthetic market, specifically to address body shaping/contouring, spot fat reduction, and reduction in the appearance of cellulite. The LAPEX 2000 LipoLaser's non-invasive treatment is considered one of the most innovative methods to treat those stubborn areas of fat that do not respond to diet and exercise. The demand for this type of treatment is expected to grow rapidly, not only in the plastic surgery profession but in any clinical setting such as spas and wellness centers that treat localized body fat deposits which may not have responded to diet and exercise.

More About: Meridian

Meridian is an established leader in the research/development, manufacturing and sales of advanced medical devices in the healthcare industry. With a dynamic research and development team, Meridian is at the forefront in the development of cutting edge medical technologies. The Company presently holds a total of 18 worldwide patents on its technology, and has received FDA approval and Health Canada approval as well as other international regulatory approvals, for many of its products. Meridian has over 1500 clients including physicians, hospitals, clinics, healthcare professionals, and wellness centers in Korea, USA, Canada, China, Japan and Europe, and continues to successfully market its superior product line to a growing number of clients worldwide.

More About: LifeLine Medical Technology, LLC

LifeLine Medical Technology is an affiliate of the PMG Group of Companies that began in 1997 to own and operate renal care centers in the southeastern US. Recently, they have evolved to include health and wellness products in its service line. LifeLine Medical Technology, LLC may be reached at CustomerCare@LifeLineSupplements.com.

June 19, 2007 NASD OTC-BB: MRDAF**Meridian Signs Medical Endorsement Contract With Dr. Lionel Bissoon, a Prominent Celebrity Weight-Loss Doctor in the USA**

Meridian Co., Ltd. ("Meridian" or the "Company") (OTC BB:MRDAF.OB - News), an industry leader in the research, development, manufacturing and sales of integrative medical equipment, is thrilled to have Dr. Lionel Bissoon, a prominent celebrity weight-loss doctor, contract with the company to become the exclusive medical endorser for the LAPEX 2000 LipoLaser. This innovative new medical device is currently pending an FDA 510(k) clearance in the United States.

Dr. Bissoon is the leading authority in the U.S.A. on Mesotherapy (medical specialty focusing on promoting weight loss and eliminating cellulite) with practices in New York and Palm Beach. Dr. Bissoon is the best selling author of The Cellulite Cure and has been featured in numerous print and broadcast stories including appearances on ABC's "20/20", The Rachael Ray Show, CBS's "48 Hours", Vogue, People, and the New York Times.

Dr. Bissoon will work with Meridian regarding potential speaking or representation engagements at trade shows or medical conferences where he will discuss product information pertaining to the LAPEX 2000 LipoLaser. Dr. Bissoon is very excited about this new technology and commented, "The LAPEX 2000 LipoLaser holds the potential to revolutionize the aesthetic market for the reduction of cellulite and will offer clients a fantastic new non-invasive alternative to help them meet their goals."

Meridian Co. Proudly Announces Roberta Flack as Celebrity Spokesperson for Their Lapex 2000 LipoLaser

"The LipoLaser treatments are not only pain-free and non invasive, they are very relaxing-and most importantly, they work!" according to Ms. Flack

Meridian Co., Ltd. ("Meridian" or the "Company") (OTC BB:MRDAF.OB - News), an industry leader in the research, development, manufacturing and sales of advanced medical equipment, is pleased to announce that Roberta Flack has been chosen to be their celebrity spokesperson for the LAPEX 2000 LipoLaser (BCS). This innovative medical device has recently received a CE Mark approval in the European Union and is currently pending a FDA 510 (K) clearance in the United States.

Ms. Flack has been using the LipoLaser since November, 2006 under the care and supervision of Dr. Lionel Bissoon, best selling author of The Cellulite Cure, and has lost of total of 8 inches from her abdomen.

"Like everyone else, I was interested in losing inches, but was not interested in trying invasive procedures. Even with diet and exercise those stubborn areas were difficult to reduce. Although somewhat skeptical, I was excited to try out this new laser that was designed for body contouring and fat reduction," states Ms. Flack. "The LipoLaser treatments are not only pain-free and non invasive, they are very relaxing-and most importantly, they work!"

More About: Roberta Flack

Roberta Flack is a legendary Grammy-winning singer, songwriter of ultra smooth ballads of R&B, jazz, pop, and soul. She has been described as one of the most talented pop artist of the 70s and 80s. Roberta is best known for her platinum hits "Killing Me Softly" and "First Time Ever I Saw Your Face". Ms. Flack has toured world-wide and her music continues to be played and inspires fans globally.
